

CBS Primary School, Tralee - School Book Rental Scheme 2022

Dear Parent/Guardian,

Our school will operate a **Book Rental Scheme** once again for next year's booklists.

In the present financial climate, it is important to keep cost to parents to a minimum. The Book Rental Scheme saves parents a lot of money, especially as children move into senior classes. The contribution from parents is used to buy sets of books for the class which are used by the children in school. With careful management the books can last for a number of years. They are normally replaced because the books are out of date rather than because of the condition of the books. **However, parents of children who damage a book will be asked to replace the book.**

On your child's booklist for next year, you will see the books for rent are clearly identified. All other books and materials must be purchased by the parents while the **money payable to the school** can be sent in during the **first week in September**.

Unfortunately, it is not possible to rent workbooks because the children write in these books and they cannot be used again.

This year, we are reducing the costs for families with two or more children as follows:

1 child €30

2 Children €45

3 or more children €55

Please complete the form below and return it with the appropriate amount if you wish to participate in the Book Rental Scheme. **The money should be paid before Friday 24th of June 2022** so that we can purchase the books before the children return to school in September.

Denis Coleman
Principal
